My Co-Laborer in Christ,

We were each created by God for a purpose greater than we realize. When we receive Jesus as Lord He gives us the power to fulfill that greater purpose for which we were created. The Bible tells us we were made in the image of God. We bear His name and His glory within us because of salvation. The Word of God also tells us we are to glorify God in all we do. There is no greater way to glorify our amazing Father in Heaven than manifesting His image to others so they might also know Him.

What does that have to do with a short-term mission project? Everything!

Jesus' last words to us were "All power in heaven and on earth have been given to me. Go therefore and make disciples, baptizing them in the name of the Father, the Son, and the Holy Spirit. And remember, I am with you always." (Matt. 28:18-20). You were uniquely created and saved for this great purpose of God. There are people in this world that only you can uniquely touch with the Gospel of Jesus Christ; people such as your family, relatives, associates, and neighbors. As well as, people from other cultures and nations (Acts 1:8). God wants to use you as a life changing vessel among people you know and people you have yet to meet.

The Christian life is a journey that Jesus says should be focused first on His Kingdom and His Righteousness (Matt. 6:33). You are stepping out into one of those moments of your journey that will be life changing for those to whom you will carry the Gospel... as well as yourself, The Mission Staff of First Baptist Woodstock is praying for you. We not only want to pray for you, but also do everything possible to equip you for this portion of your journey with the Lord. We are excited and blessed to walk with you through these next few months.

Prepare to be challenged. Prepare to be in awe of our God. Prepare to be a faithful servant. As you will carry the greatest news ever heard anywhere by anyone (Isaiah 52:7). My prayer for you is that you will not only experience the power and presence of God on this mission project, but also when you return home and continue living out His Kingdom purpose. God bless you for your faithfulness to finishing the task of the Great Commission.

To All the World for Jesus Sake,

GUIDELINES FOR SUPPORT RAISING

Your efforts in raising support for First Baptist short-term mission projects are greatly appreciated by the Missions department and especially by those of our people who have been called of God to participate in the projects.

Obedient servants with a vision for world evangelism who are enablers or senders are essential to our goal of impacting the world for Christ. Utilization of your gift in this area will bring blessings to peoples you will probably never hear about.

SINCE THE INCEPTION OF OUR LOCAL CHURCH ORIENTED MISSIONS MINISTRY, ONE OF OUR MAIN OBJECTIVES HAS BEEN TO REPLACE THE PERCEIVED IMPERSONAL CHURCH/MISSIONARY RELATIONSHIP WITH THAT OF A PERSONALIZED MISSION MINISTRY WHERE EACH PERSON CAN FEEL A KINSHIP WITH ONE OR MORE MISSIONARIES.

We are striving to accomplish this personalization by encouraging correspondence, by continual uplifting in prayer, and publishing information concerning missionary families and their ministries.

Another factor in personalization of missions is personal involvement via our finances. Faith Promise offerings allows each of us to be an integral part of the church's missionary ministry by channeling our contributions through the Missions department to support career missionaries and ongoing missions ministries.

Short-term projects are an opportunity for ministry in areas not covered by Faith Promise and which must be financed by individual or group efforts. Support raising projects can be utilized to meet these financial needs. It is essential that support raisers emphasize the personal element in such projects.

The following criteria must be considered for all such projects:

- Support raising must be directed toward the financing of a specific project or program.
- Support raising must encompass elements which will only reflect favorably upon the church and not cause the community to regard our congregation in a negative fashion (no raffle tickets or door-to-door solicitation.)
- Support raising is to be done in a straightforward and open manner so that the donor understands the purpose of the planned ministry and how funds will be used. The basic approach is to present the financial need through a specific activity or program so that God can touch the hearts of those He wants to give. We do not want to get into the business of begging or merchandising with gimmicks.
- Support raising must never compromise Christian principles for the sake of securing funds.
- Support projects, which require a financial investment, must be subjected to close scrutiny to ascertain the risks involved. We must be good stewards of God's assets.
- Support Raising projects must receive staff approval before being implemented.

March 2018

Dear Friends,

The Lord Jesus Christ has opened a door for my son and I to work together on a mission project this summer. The project that we will work with is going to the **Dominican Republic**. Our team will consist of high school and college youth that will play baseball. The goal is to **minister to the children and families** in order to build relationships that will give us the opportunity to share the love of Jesus with them. What an awesome opportunity. We will partner with **Word of Life**. The dates for this project are **June 16-23, 2018**. The cost for this project is **\$1000 for each person**.

We are asking for and need you to become part of our team by supporting us in two areas:

- 1. Please **pray** daily for us and the entire mission team between now and June 23, 2018. Pray specifically for the people that we will come in contact with, wisdom in our decision-making, unity of our team, and traveling safety. Prayer is the most important thing that you or I can do.
- 2. Please pray about supporting this project financially. The cost of the project is \$1000 per person. Pray, ask Jesus if He would have you contribute financially and how much He would have you give.

By praying and/or contributing financially you will be part of our mission team. What you do will be just as important as what we or the rest of the team will do in the Dominican Republic. Most of all we need your daily prayers for us to have a meaningful and successful project.

Thank you for becoming part of God's team. God bless you and your family for the support of this mission project.

In His service,

Jim

TEAM TREASURER

The following procedures are to be followed by the team treasurers:

- 1. Collect support money from team members at meetings. Money submitted by team members should be in an envelope marked with the individual's name and the total enclosed. After following steps 2-7 below, replace the support money back into the individual's envelope. These small individual envelopes are to be placed into the large team envelope and turned in to the mission's bookkeeper. Be sure the front of the large team envelope is completed accurately and completely.
- 2. Verify <u>ALL</u> checks are made out to First Baptist Church Woodstock (or FBCW). If the check is made out to an individual team member:
 - Return the check to the team member so they can return the check to the supporter to write a new check to FBCW to insure tax contribution credit.

OR

- Have the team member endorse the check. Please note: the supporter will <u>NOT</u> receive tax contribution credit for checks made out to individuals.
- 3. Verify memo lines on check contain an individual's name 077-Account Number-Project Code.
- 4. Every mission team has a fund number of 077, a team account number and every team member has their own individual project code. As soon as the mission's bookkeeper has the names of the team members, you will receive the individual project codes for every team member. The fund number (077), account number and project code should be written on each check before turning them in to the mission bookkeeper. (SEE THE SAMPLE CHECK)
- 5. Count the money in each individual envelope and verify the amount marked on the envelope matches what is inside. Inform the team member of any discrepancies before turning in their money to the mission bookkeeper.
- 6. <u>IF CASH IS GIVEN, PLEASE NOTE ON THE ENVELOPE THE NAME AND ADDRESS OF THE INDIVIDUAL</u> <u>WHO GAVE THE CASH</u> (if known by the team member). This allows the supporter to receive tax contribution credit.
- 7. Be sure to note on the team member's individual envelopes whether the contribution(s) are to receive tax contribution credit or not. Most supporters want credit, but there are rare cases when the supporter wishes to donate and not receive credit.
- 8. Develop a team balance sheet that indicates each team member's total and their supporter's name. (Team members are also responsible for keeping a list of their own supporters and totals.)*
- 9. Deposits are to be given to the mission's bookkeeper in the mission's office <u>ONLY</u>. If you need to make a deposit other than the bookkeeper's office hours, there's a mission drop box on the wall by room 5 in the W building altar counseling suite. <u>PLEASE DO NOT GIVE MONEY TO ANY OTHER STAFF MEMBER</u>.
- 10. Do not hold money for any reason. Deposits are to be made on a weekly basis.
- 11. You will receive a weekly financial report from the mission's bookkeeper.
- 12. If you have any questions, please call the mission's bookkeeper at 678-494-2711.

- 3. No. "Ok, have a great day!"

Response to those who receive care.

#1 - Finished prayer. Say your names again, "It was an honor to meet you today. Is there another time we could come back again and share an encouraging story with you?" <u>Yes</u>, great!
