

Resolving Marital Financial Conflicts

Statistics reflect that 2 out of every 4 marriages end up in Divorce. Of those who Divorce, 80% do so because of some financial conflict within the marriage. The odds are great against you and certainly Satan is doing his very best to make sure your marriage doesn't last. So why take a chance? Why not let God control your marriage and also your finances. You didn't know that God had something to say about your personal finances? In fact God made a plan for you and your spouse and He wants you to know about it. In Jeremiah 29:11, He said, "For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future. You see, before you were ever born and certainly before you were married, God made a plan for you and His love for you supersedes any problems that could ever come your way. He left you and your spouse detailed plans on how to handle your finances and if your having problems, then it's because your not following God's direction for you and your marriage. Topics we will discuss include:

1. How to become "one flesh" financially (Genesis 2:24).
2. How to earn together, give together, spend together, save together, and stay together (Ecclesiastes 4:9-12).
3. How to allow financial challenges to build your marriage instead of breaking it apart (James 1:3).
