Summer Camp Follow-up

We are praising God for the students and children who made decisions to follow Christ at summer camp! Please lift up our Elementary and Student ministry teams as they follow up with each decision. Also, pray for continued spiritual fruit and growth as the message shared during camp begins to take root in the hearts of our kids!

Vacation Bible School

Leaders and Organizers

Please pray for the leaders and organizers of VBS. Ask God to give them wisdom, creativity, and energy as they plan and prepare to minister to the kids.

Volunteers

Ask God to raise up several more Lead Teachers, and Classroom Helpers to fill the last open positions. Pray for strength, patience, energy, and joy as they teach and interact with the kids.

Children and Families

Ask God to prepare the hearts of each child who will attend VBS along with their families. Please pray for our ongoing outreach after VBS to families of children who are not connected to a church home.

community party

Our Community Party is an opportunity to welcome thousands of guests to our church campus. Pray that God will give us favor in extending a warm welcome to our community through this event and that our guests will feel the love of Christ through each conversation, activity, and message shared. Ask the Lord to bless us with a beautiful, rain-free evening! We also need additional volunteers to serve in various ways throughout the evening! You can also pray for God's continued protection and presence as we celebrate and thank Him for the ability to live and worship in freedom.

From Woodstock to the World

Mission Teams

Pray for our current and upcoming mission teams who will be serving in various places this summer. Ask the Lord to protect them as they travel and empower them with His Spirit to be the hands and feet of Jesus wherever they go. Pray for boldness to share the gospel in love and truth with those they encounter.

Local Partnerships

Pray for the relationships between our teams and the mission organizations called to serve their local communities. We desire that these relationships be built on mutual respect, understanding, and a shared commitment to serving others. Ask God to bless their work and bring about lasting transformation in these communities.

Spiritual Growth

Serving on a mission team is an opportunity for participants to experience spiritual growth and transformation in their own lives. Please lift up our team members while they serve and ask God to draw them even closer to Himself.
